Exercise

Chair Yoga
Chair yoga is practices that modify yoga poses so they can be done while seated in a chair.

Water Aerobics
Bragging rights aside, swimming does have advantages over land-based exercise.

Boot Camp
To keep your muscle mass from disappearing, do resistance training by lifting dumbbells.

Wound Care

Seniors: What You Need to... Wound care is a medical treatment plan for wounds that do not heal easily on their own.

Susceptible to chronic wou... The source explained that chronic wounds can also develop from infected wounds.

Health Care
Staff Chat allows tenants to conduct a video conversation with our Greenville Creek staff.
